# biography

Vincent Montoya, an experienced Techno DJ with over 20 years of professional experience, brings the raw and gentle nature of the Baltic Sea to life in his sets.

His track selection and mixing are infused with emotions, openness and creativity. Whether delivering long, hypnotic sets or short, energetic performances, the sound always takes center stage.

Known for his exceptional music choices and ability to create intimate moments between the audience and the music, he has built an excellent reputation in clubs, bars and festivals.
